Hi Leslie,

We're working on the investor deck (we're currently negotiating with investors) and this is our raw deck, really want to get Jeffrey's take on it. Please see below:

Hi Jeffrey,

It was lovely seeing you again and I'm glad we were able to connect while you're still in town. As I've mentioned, me and Masha are determined to grow our company and we're even planning to rename it in a less targeted name soon (Millenium communications with Crypto PR Lab being a sister company - thoughts?).

The idea is to focus on crypto PR, business speaker agency, events organization (such as Davos) with global recognition. We're very excited about it :)

Also as I've mentioned, we'd like to raise capital and we really need some advise on what direction to take. I've put together a very raw picture of what we currently have in terms of financials and I'd really appreciate your take on how to build a solid roadmap to raise some capital and build bigger operations.

Looking forward to your feedback!

Kind regards,
