Good morning !!

At this moment, I'm enjoying a cup of coffee and thought of you!

It's been a while since we've connected, but you definitely have a space and always will.

Do you remember when we first met, I took you to visit the Lower Gwynne Farm?

It's an absolutely stunning and special piece of land. I'm told it is the largest contiguous Farm left in Ohio.

The farm boasts black, rich and rare souls that produce even in the worst conditions. But aside from that, the Lower Gwynne is just something special.

I'm telling you this because we're seriously contemplating selling the farm.

It's been in [REDACTED] family since the early 1800's and has been impeccably cared for. It's an all American beauty.

I love the farm, but I want to live a larger life and selling it would afford me that luxury.

I know you love having gorgeous, perfect possessions and the Lower Gwynne is all and more.

You are the only person I've shared my idea about selling.

How about coming to CBus to see me and we can go for a tour!!

It would make happy to have the farm in your hands.

XOXO
