Morning

I've just notice the e mail for Jeffrey is incorrect

It is not in my contacts , so are really baffled how it even got onto my system .

Regarding order , believe container has shipped with only sea grape for behind the wall at main compound .

good morning

apologizes, just noticed the order schedule did not attached

Jackie has already secured a container for us for the sea grape and oleander

do you wish to add the silver button wood

regards [REDACTED]
