The Apple Watch orders were all submitted last night. Our rep says it will take 24-48 hours to process...once he has an update on the order he will let me know.

The Apple Watch order for Europe was submitted also but we still await a reply back...our rep is helping me with this. We will use one of your French CC's to purchase.

A few more watch responses I received from your happy recipients:

- [REDACTED]: Thank you so much!

-Eric Roth: This holiday gift is very thoughtful of Jeffrey...Thank you!

-Dr. Merrell: Lesley, This is so generous of Jeffrey. I do not have one so this will be a real treat!
