> I agree with SB. And I wouldn't worry so much about the person, the goal is the process. You need someone to coordinate the decision matrix. It's a running analysis--a war room. And you need people who interact with media on a transactional level. Hiltzig would be fine for this. He's no genius, but he's strategic and he's thorough. You want to take the view of the people who you trust and then plug them into a coordinated plan. I can get names of some other people.
