Good day Mr. Epstein,

I want to apologize for the miscommunication within the emails between us yesterday. Truthfully, I did not see the 5:45am email which gave directives to take photos of Pebble Beach Footing. So much so, I only saw the email which was sent to me instructing me to take photos of, Sam's Place, Master Bedroom and Twin Room on GSJ.

I would like to say however, that I would never neglect work when it relates to your priority. Therefore, I have decided to take the initiative to go to LSJ early this morning to take photos of Pebble Beach Footing. I hope all pictures that were sent to you are satisfying. If there is anything further please let me know.

Once again, I sincerely apologize for the misunderstanding.

Thank you.

Sincerely,  
Cashkim.
