Jeffrey,

I'm working on locating 2 Channel stereo BelCanto REF500S stereo amps to power the additional speakers to make 11.1 surround at LSJ. I would only require 2 amps for the additional 4 speakers we are adding.

All the Amps driving the LSJ system are BelCanto.

REF1000W amps drive the Center, L/H and R/H front speakers

REF500W amps drive the Surround speakers.

Audio Advisors recommends the Vandersteen VSM-1 flush mount enclosed ceiling speaker for the Main Theater at LSJ.

List Price \$1295 a pair,

Less 10% \$1,165.59 plus Tax

Total \$2,331.00 plus tax

Do you approve of 2 pair of these speakers for LSJ?

Thx,

Larry
