Jeffrey

Curiously enough I dreamt about you yesterday night.

I thought it had to do with Chapman—I just hired a lawyer to deal with their defamation. I also had a strange experience at Texas A&M, along lines of Chapman.

Then I checked the Guardian (UK) and saw a tweet about Jeffrey Epstein. I have glanced at the Miami Herald article. This can not be fun.

My heart goes out to you.

Best

bob

In NYC area 10th to 18th of December, am postponing Florida until January.
