Good afternoon Daphne and Kyle,

I received confirmation that the doors are completed and are being picked up this afternoon to be delivered to Tropical this evening/early morning. Once the doors leave the manufacturing facility, the tracking number below will show the information. I am in contact with both the in-land freight AAA Cooper and Frameless Shower Doors to ensure the delivery makes it on time for Tropical's Friday sailing to Saint Thomas.

FREIGHT COMPANY: AAA COOPER

TRACKING / PRO #: 99133546-4

CRATE DIMENSION & WEIGHT: 102 X 32 X 38 and weighs 441 Lbs.

SHIPMENT STATUS: www.aaacooper.com

I should have the bill of lading number tomorrow morning.

Kind Regards,
