ask him if he has been working on cars. have ana there also tell him you are happy to pay him , if he likes and he can no longer work for us. that is also an option.

Bullet points:

1. Karl said Karen told him he could go to Worker's Comp to get paid
2. Karl said he is still in pain, but did not see the doctor, and has no note.
3. He is on his way up to my office now. I will record the meeting and report back to both of you.

Do I try to hold off on him going to WC?

Karen said JE asked this morning how much money Karl is owed so I am going to work on that too and send it to you for review.
