had good meetings in London on the way back, in particular with Sir Trevor Nunn... and he is interested in doing something with me.. and then turned out coincidentally I will have a call with some rich guy who has produced stuff in on broadway NYC on Friday (at his request) so maybe the 3 of us can prepare a one man show off broadway, perhaps on Star Trek, or something like that.

Also having podcast meetings on Friday..

and am going to do LLC paperwork this week I hope.. as I would like to explore producing some events at that theater in Phoenix.

In the meantime Provost wrote me an even more stupid letter today.. backing down somewhat in one way, but not in another.. he is very stupid.

Hope all is well there.. I may be in NYC in Jan to meet with Nunn and this investor.. in case you are there then..
