---

When Jules worked on weekends in past I would normally send you pictures of progress incase changes were needed.

When I asked Una why was Jules marked off on Saturday's she said [REDACTED] said he was there. I've seen Jules on many Saturdays. Daphne also confirmed as of recently Jules has been working almost every weekend and she also believe that its probably to compensate his loan

Karl is on leave at the moment. I believe he returns tomorrow or Thursday. He came to my house to complain about not being paid.

I told him that he have to speak with Karen so he came to the office today.

During his Doctor leave he's fixing cars on St. Thomas but complaining about his back and not being paid by LSJ

Hey Bossman,

I wanted to talk to you today on GSJ about some disturbing rumors going around that may be true. I get really upset when I hear or see things like this happening in my face

[REDACTED] and Brice has agreed to fix Carlos boat "Calypso" in return for the use of his gifted boat from you. Carlos doesn't speak to me about LSJ. When I ask him questions about LSJ he says that I need to ask Brice & Karen

Randy as well was told by Brice and [REDACTED] that they will fix and buy things needed for his new boat "Cenzia". Gifted to him by Brice after it suspiciously sank at AYH C-Dock. Cenzia is in the water again even though they said it was no good and unrepairable

Jules has been getting paid for weekends even though he doesn't work on all weekends. Jules is paying back his loan by being marked off as worked on Saturday's. No pictures of work being done by Jules on Saturdays

Karl Henry came to the office today to threaten us about going to Labor since he didn't get paid for his leave time. [REDACTED] told Karl that she's waiting on a decision from Jeffrey. Karl has been working on cars and hanging out at bars on St. Thomas

Anna
