just to be clear darrens instructions are to clean up the doc . with your consent and agreement. he is to report back any disagreement though i dont think there should be any, I am out of pocket for a few hours. but can call in the morning if need be thx you might also ask jerry if you disclose that you are taking the position under arrowsmith, and deduct the fees. there would be no penalty. if you had to negotiate.. all very silly but in your interest i think to try. .
