Ugh. So sorry about this.

Guidance/direction welcome. I'm happy to have my firm's pr guy say: "Jeffrey was indeed Judge Starr's client at Kirkland & Ellis, and is now the Judge's trusted friend." Or stay mum.

Or however you think best.

Mr. Cargill,

I am trying to reach Kenneth Starr concerning a story that is scheduled to be published on Wednesday. I've been less than successful reaching him by phone, and have not received a response from a certified letter that I sent to his office several weeks ago.

This story concerns his representation of Jeffrey Epstein. I would be happy to explain further, if you could give me a call on my cell. As I said, the stories will be published on Wednesday so it is important that you or someone

who has his contact information could get back to me.

Thank you.
