Looks like you do it on purpose to want me to hate you. I always tried to see the good in you no matter what but I've lost all hope. Sorry if I disturbed you by wanting to catch up with you and how you were doing, I won't do it again after seeing your reaction

Actually if there is someone who only takes is you since you ate me and spit me as fast as you could (like you do with most girls). You want to make believe that I only take when I actually got ZERO from you and never pretended anything but please don't reverse the medal. I loved you and was attracted to you your mind as I thought it was brilliant but now I realize that being brilliant and mean is absolutely worthless.
