Greetings Kyle,

Thank you and Dupson so much.

So

Tree 1 = 245 inches (20'5")
Tree 2 = 238 inches (19'10")
Tree 3 = 219 inches (18'3")
Tree 4 = 226 inches (18'10")

Still 26 inch difference between the tallest and the shortest - not a 99.8% match.

Two of the 4 are significantly below the 20' ct.
