Our settlement cannot involve [REDACTED]. And to be clear, I do not know what David will start with or where it will end up. There have been no discussions, to my knowledge, with [REDACTED] - who is the client and the only one that can make a decision. I am not going to be involved in the settlement negotiations of that case at all. So with that out, we are back to my proposal.

as you said david was starting at 500k . i suggest the following.

7 millin includes [REDACTED] (way above my top line :)) you and i are free to go at fowler. . I will file a dec action , to decide whether a firm can be released from an unknown claim. you and I can discuss the fowler stragey so as to meet the spirit as well as the letter. and im ok with a 50 50 split,

CONFIDENTIAL - FOR SETTLEMENT PURPOSES ONLY

I've thought this through a little better.
\$7m bottom line (way below my bottom already)

We are done with personal litigation between us such that no substantive malpractice case could be brought against FW.

Public Apology

Confidentiality as to the amount of any settlement (and depending on any other terms we can jointly decide what more, if anything, should be confidential).

If we resolve on those terms then I will reach out and resolve contempt proceeding so to ensure you are not brought in (although virtually no chance as is). You will in good faith attempt to resolve the malpractice claim without a suit and whatever you recover is 50/50 (as you say, that is fair, especially since you offered already for first million to go to me, or 500k depending on the scenario).

I know you are not one to nickel and dime - is the above acceptable?
