Good Morning Mr Epstein,

I am strongly suggesting we use white grout (unsanded) on your shower walls for the cabanas to give us a clean look. As for the floor we will need to use a sanded grout however I would not suggest white due to color of the floor tiles. If you want white I will need to make sure I seal the floors very well to prevent staining. I have attached some photos for you to take a look at along with a grout color card. Please let me know what you would like on the floors, oyster gray I think will look nice. Thank you!

Very Respectfully,

Kyle Reavis
