Good Morning Mr Epstein,

Palms are being offloaded now and planting will start shortly. Dupson is tied up with planting of the trees with myself and Chris, however once those are in grass will be moved before he does anything else. 3rd hole is dug and the 4th will be done after the 3 other palms are planted (its our access area). Please let me know if you have any questions on our plan here. Logistics plan is attached.

Kyle
