Greetings Rich,

Chris' plan for tomorrow 11/16 is to receive the rack and off load the 4 palms onto the beach, and (the potted Sea Grapes into the Nursery - not Chris, Dupson and landscaping crew will handle).

Chris will start planting the palms tomorrow. They will all be in the ground, and the area tidied before he departs on Monday.

when do we expect the trees to go in the ground?  
please advise  
thank you
