Little C:

No one is doing maintenance on the boat engines like before.

Little C engine could've been prevented if monthly maintenance was done in house like before. Patrick mentioned to Randy awhile ago that he only gets paid to drive (not to do maintenance) and Randy doesn't want to touch them because Patrick doesn't do anything.

We are solely dependent on Offshore. No one on LSJ is doing boat maintenance unless something happens on the water and then they call Tap.

Barge:

The crew came over on the Barge Tuesday during bad weather. It was a very dangerous move because a lot of the water taxis are back in service.

JPK:

JPK is taking advantage of the job given to them. They have way to many guys on small projects for no reason. AYH is having the same problem. A lot of guys but slow work

Brice & Kyle Steward:

Kyle Steward [REDACTED] "Landscaper" said Brice is always threatening to fire him and he said that Brice is insisting that he spray chemicals without protective gear.

GSJ Bar (Rustic ship items):

Can't wait to show you what I have :) but you have to come home first?
