Greetings to All,

Johnny last status check at Tropical was the rack is still on the vessel, so transport is rolled over for tomorrow before 12 noon. I will call at the end of today and ask them to please put the rack on a chassis, once the rack is off-loaded, for pick up in the morning.

Kind regards, Daphne

Greetings to All,

I spoke with the Port this morning to confirm the arrival of the vessel carrying the flat rack of Zahidi Palms and Sea Grapes.

The vessel is delayed, arriving not today but tomorrow, 11/15. The time of arrival is unknown.

I spoke with Johnny, who is still standing by for pulling the rack tomorrow afternoon. His cutoff would be 3 pm for tomorrow, due to travel time after that is running into heavy traffic.

The port confirmed the rack is cleared, and can be put on a chassis as soon as it is off-loaded.

Chris has been notified about the arrival.

Kind regards Daphne
