Dear Vincent,

Please find attached an updated worksheet, showing the royalty income donated to Noam's children.

These are conservative estimates, as I do not have complete records for every title, especially older titles.

If I can help with anything else, please let me know.

Best  
Anthony

It sounds like I will not need you to deal with publishers if you can give me reasonable order of magnitude numbers. For example, for Imperial Ambitions received approximately \$750,000 in royalties to date with the work still in circulation.
