mike please respond to emails same day as mr epstein has repeatedly told you..

receiving a proposal directly from a vendor with no knowledge of anything is not helpful ..
please explain issues with our fuel truck

thank you

Richard Kahn

Good Morning All

Have attached quote for repair parts for Fuel Truck
Its noted in the quote description that before anything gets repaired the leak between #1 & #2
compts should be repaired.

"Making the VI Great Again One gallon at a time"

Thank You

John
