Attachments: UPS_INV16980_Freight_Collect_\$1,211.46.pdf

this is an example of brice not communicating with anyone

he purchased locks in FL and instead of shipping via tropical for a cost of \$100-\$150 he decides to send via UPS for \$1,211.46

even if an emergency he does not make daphne aware until she receives a call from UPS that they have package to clear.....
