Good Evening

Due to the price vs quality of the used cars on island. I opted to use a auto-broker that came highly recommended.

The gentleman Randall Wilkinson ships cars from FL. to the Virgin Islands. Below is the procedure he follows:

1. I would need to send a copy of my ID along with a cashier's check for the down payment \$1000.00 down for him to start the paperwork.
2. Once the paperwork is completed and emailed, the vehicle is ready to be shipped and the balance of the cost then becomes due.
3. The vehicle is then dropped to Crowley Shipping to be shipped to St. Thomas

The cost including shipping is \$12,500.00

Below is an email that includes cost and specs for a 2008 Escalade for review and approval, along with his contact information.

Respectfully submitted
Juan
