Hi Jeffrey,

My contact information is below. I must say I was surprised that your number still worked after all these years, but I remember you saying if I needed to reach you I could always do so by dialing that number.

I would love for you to give me some direction as to what type of investments I should look into. I really want to use this situation to leverage me to the next level in life. Ive always desired taking an early retirement and if I make the right choices now I can achieve that goal.

Im curious to know does Leslie still work for you? If so, how is she?
