Morning

We have pulled both blue chaises outside no bugs of any type/kind dead or alive where found, there is a stain on one arm of one but we have treated it and looks like it will be OK

We are now packing up the movie room so the old AC can be removed and new installed

Good Morning

Seems odd - Noseeums are more likely what the bites are given they where out in full force during your visit. With everyone being eaten alive

I will review today,
