Received this from Vincent.

Apart from the reports from Bainco, which don't mean much to me, the rest seems to repeat what we know. Until we began requesting information from Max in 2016, there's very little information. Many distributions to family in 2010, some later for Lexington house repairs. There's a list of "contributions" in 2014 and 2015 that seem to have to do with investments. No information about any distributions to me, if any, or in fact any relevant information from 2010 to 2016.

From the non-exempt Trust lots of distributions, but no indication of to whom.

Noam and Valeria - Here are some materials provided to me by Max's lawyer in preparation for mediation. Maybe you've seen some of this before. I'm waiting for us to firm up the retention of a mediator before sending my document request so as not to potentially derail the progress made to date. Of course call if you have any questions.
