---

I got a scary halloween letter from the Provost.. It threatens me.. but does no more..

Some of the many things wrong with it.

1. re releasing my appeal letter.. which I released in response to their releasing their determination letter: I ran the redactions by their University Lawyer.. and in fact found more retractions of names that she missed.

2. re my retirement letter: I didn't release it, they did.. they could have held it back if they felt there was a reason.

3. re representation by a lawyer: Justin was allowed to "attend", by phone, my interviews.. but not allowed to speak.. that is not representation.

4. my discussion of procedures for Universities throughout the US was taken as disparagement of ASU

I don't plan to respond.. but thought you might enjoy looking at it.

Lawrence
