still not sure why it takes glidden 4 days to respond to an email..
not sure how tough you want me to be with him..
please advise
thank you

Unit #1 is on line as back up presently.
Both voltage regulators are due to ship from Rimco in next two days.
They will be installed as soon as possible once received and at that time both gensets will be 100%.

thank you
are both up and running 100% with no additional work needed
please advise
thanks
