Morning boss

What I believe was a deer jumped from the bush on the side of the road in front the vehicle and surprised me. I reacted by swerving into the on coming lane but could not control it to bring it back and slammed into a wall hard.

I hit the dashboard and Dymond who was in the back seat got pitched forward into the back of the front passenger seat. We got checked out by our doctor, we are bruised and sore but nothing broken.

Safe travels

Hello Jermaine

I've got the midrange replacement speakers for the Wilson speakers coming on the plane, maybe tomorrow, unsure at this point

How is the LSJ Gym system coming along? Do you need any wires or connectors?
Is it up and running by any chance?

Thx
Larry
