What a nonsense!!!

Last night she was completely sane saying she got a job at a new restaurant and is starting in a week. She already sent me her last will a couple of weeks ago, out of the blue, with a different message. When I see her at the apartment she either sleeps or is staring at her phone, since she's almost always at home my guess is that she sits there and makes stuff up, sends it to her friends.

Thank you for sharing!

My friend I didn't do anything wrong. All my accounts are hacked. I [REDACTED] never had a daughter that I wanted to call [REDACTED]. They will probably delete my email since they have my cods. Ask them to show body of [REDACTED]. Never had a baby apart [REDACTED]. Thank you in advance. You know who is behind it
