Good evening.

Plan B is due out tomorrow on a 9 am barge to install the voltage regulators, which are on island now. Both generators should be on line by days end tomorrow.

ABC has completed the work as of Monday. There were no issues with the work and there should be no issues with paying them.

Both generators are complete with the exception of the voltage regulator install. They are being delivered to the AYH offices by 6 pm today and will be installed on Monday by Plan B.

Generator 1 has been online as of 10-16 as back up power.
