Jeffrey
Additional deposits Gulfstream requires for KA Wifi install,,
\$342,500
Is this approved to fund?

Thx
Larry

Subject: RE: AC5137 / KA band deposit

Good afternoon Larry,

We have received the additional signed proposal for AC5173 / N415LM's upcoming visit to our Savannah service facility. We've noted the anticipated dates for the visit have changed to October 23rd through January 5th.

At the risk of being redundant, attached is a billing for the KA band deposit mentioned in the proposal. If Rusty has already provided you with a similar billing, please ignore this one. If not, please initiate these funds as soon as possible. Let us know once initiated and, if available, please provide tracking to assist us in locating them quickly to secure the aircraft's slot on the KA Band installation schedule.

Thanks and we will be in touch in the near future to firm up details regarding the visit,

Beth Simmons
Senior Service Center Coordinator
Gulfstream Aerospace Corporation, Savannah

Subject: AC5137 / paint in Savannah

Good afternoon Larry,

We are looking forward to the arrival of AC5173 / N415LM to our Savannah Service Center for paint scheduled October 6th – November 10th.

I have been assigned as the Service Center Coordinator for your visit. Mike Zimmerebner will be the Service Team Manager in charge of your project.

Attached is the \$50K deposit billing which, once received, will reserve your paint slot. Please let us know once these funds are initiated and, if available, provide tracking to assist us in locating them quickly and applying them to the correct work order.

Please feel free to contact me with any questions or concerns regarding your upcoming visit. My contact information is below.

We will be in touch in the near future to discuss further details for your visit.

Thanks,

Beth Simmons
Senior Service Center Coordinator
Gulfstream Aerospace Corporation, Savannah
