You have been more help than anyone else, and have taken more of your own time to help me than anyone else. Thank you. I am sorry I have disappointed you so. I am devastated about the \$1M too.. which would have jump started the new projects..

Spoke to Justin earlier, btw (He called me from the airport to touch base) and we basically agreed that he should end representing me, but I told him I would think about it and let him know tomorrow. You saw that his bill is just under \$10K for this month..

University released Provost's determination letter, with its old determinations that I provided evidence demonstrating was false...and retirement letter and contract today.. Reporter contacted me already. I have steered the conversation to the 45 page appeal document from August.. I don't think the University will release that. I am working on a redacted version in case I am allowed to release it.

Btw.. last thing Justin said is that since I am talking directly to Kim, there is no need to respond to her note to Justin, as she could bring that up with me if she wants..

I haven't cc'd you on any of the correspondence with Kim today as I figured you had had enough of the whole thing..

No matter what, thank you.

You of course have the right to commit financial suicide. . I'm a world class bomb disposal person. And you take all my time ask which wire to cut, and then do as you please , . No Lawrence don't cut

the blue one. Cut the red, no Jeffrey my wife and friends tell me its ok .

Since last November and even last month when you said you thought that the president might apologize. ? L). You have asked for advice , in large part ignored it. Arguing each time , you knew what you were doing. ? I was as strong as I could re the press statement , but again you chose to follow your own advice. Losing 1 million in funding.

I feel strongly about this.. and in this case I am right. Believe me, the rest of the document owes so much to you... give me this one because I am right here. Thanks so much

namely.. I was told I could appeal the dean's recommendation but not provost determination.. it was also clear in the instructions they gave me.. Namely exactly what it was I was appealing in my appeal doc.. that is why I focused on the dean's letter and not OEI report or provost determination.

I was told by the provost that his determination and also the determination of OEI was final. I could not appeal either directly to them... It was a very explicit statement. Their determination ended that part of the process and began the next part.

you had ? no option to directly appeal? why did you put that in?
