Subject: Your statement about retirement on Facebook and Twitter

Dear Prof Krauss,

I've just noticed your statement. We will be writing a short story to note this development. Is there anything you would like to add beyond the statement?

I had some questions:

What will happen between now and May 2019? Will you remain on administrative leave?

And would I be correct in assuming that this settlement allows you to retire with a full pension?

Best wishes,

Peter Aldhous

Dear Prof Krauss,

We understand from [reporting in The State Press](#) that Dean Patrick Kenney of the College of Liberal Arts and Sciences has recommended, that you should be dismissed from ASU.

That story indicates the process is now with a conciliation/mediation committee made up of three members, which would indicate that you have appealed the Dean Kenney's recommendation.

Are you able to confirm this? And do you have any further comment on the situation?

I'm working on a piece now, so any information you can provide by return would be much appreciated.

Best wishes,

Peter
