Hi Jeffrey, I hope you're having a good weekend.

I have a question -- what do you think about Harvard extension school? I thought about their graduate degree in Business and Management (most of it is online with mandatory 4 on-campus courses which can be taken as intensives on the weekends) that can give me the skills needed for a career that I want to have. I'm not asking in terms of you helping me with tuition, just asking for your thoughts on if it's worth pursuing because I know of your expertise in all aspects of the question.

Please let me know,

Thanks!!!
