Subject: Moving forward

Date: Fri, 19 Oct 2018 18:22:52 +0000

What did you think of John?

Are we good to move forward with the 500k for support during dec 2018-2019 for the sentience work?

I believe Joi has worked out the pipeline with MIT but time is of the essence to secure John to the team

Thx

C
