Below please find options that we will need to present to Jeffrey.

- **Order new Maybach 560, can be delivered in April 2019 with the wood code H29(brown), with recovery of the old car 81000€ (currently 90000).**
- **Michel suggested to eliminate Night Vision Plus code 610 for 2700€ , as it is used only if you drive at night outside the illuminated cities.**

- **Change the wood 729 to wood H29 (brown) on the car currently at the dealership for 17900€, Will take about 1 month.**

Mr Epstein asked Michael for armored Maybach :

- **Available one Maybach 650 armored VR10 full options 670000€ (but with the wood code 729)**
-

- **Order new Maybah 650 armored with the wood H29(brown) - delivery is about 8 month.**

Thank you,
Bella

1. it will take about 1 month to change the wood.
2. If you order new car, I think you don't need Night Vision Plus code 610 for 2700€ (only if you drive at night outside the illuminated cities)

Best wishes,

Hi Michael,

1. How long it will take to replace wood in the car currently at your dealership
2. You mentioned that you would recommend to eliminate in the new order some features that Mr Epstein is not using, please provide a list and how much will it save.

Thank you,
Bella
