Mr Epstein,

Here is a sketch I made with the same deminsions as Cabana 1. Front door is open to the water. Stone walls to match the other building on pebble beach. I added in a stone fireplace (doesn't have to be operational) to make it seem more authentic. If you don't like it I'll remove it. Do you want a thin tile roof on there? Here is a picture of what I thought of.

Yes sir not a problem. I will send over the drawing today for the fisherman cottage on pebble beach. Do you want windows and doors or keep it open?
