In the upper right corner you will see all you credit cards. Open centurion card that ends on 4009 (black). Choose statements and activity from the upper menu and after from the drop down menu choose recent activities and card member. In recent activities you will see recent transaction and pending transactions. Some of the pending transactions might fall off or change by the time it is actually posted.

Hope it works. Please let me know if you have any questions.

Thank you,
Bella
