I just received this email from Ben this morning, I didn't send you email to him yet, Should I wait until we hear his quote tomorrow? Or send your email?

Thx

Larry

From Ben:
Good morning Larry,

Sorry just getting back to you.

Was heading back from LA most of yesterday.

Our deal has not gone hard yet , we are still working thru some of the details to see if they can end up with a 91 aircraft.

Anyhow we now are open to put a deal together with you if the numbers work.

I'll get with our team tomorrow and quote the items you requested below.

Most would need to be post closing due to the engineering lead times before the physical work can be done(1,4&5).

We will also get you CAMP as requested , they should have it updated by now.

Let's chat tomorrow and review the info , timelines and see if we can find a way forward.

Thanks!
