Hi Bob -

On Fri Oct 26 1-5p, filmmaker Stuart Schulman is coming to interview me for a documentary about concert pianist John Bayless, who suffered a Stroke yet is touring and playing with one hand (!). URL = <http://www.bach-cantatas.com/Bio/Bayless-John.htm>

Stuart has a crew of 4 plus John and a co-producer. He asked if there is a location we could use to shoot the interview. Could you please advise me on whether this is possible at HASCOM and, if so, whom I should contact?

Yours,  
Mark
