Good Morning

In reference to the conversation we started yesterday before you left Sainfrans Dejour (landscaper) was injured on GSJ (March 2018) causing him to have issues with balance, headaches and serve pain. After a number of weeks he went to FL to receive more specialized care. He return back to STT Sept 15th, starting back working on LSJ Sept 17th. Sainfrans gave me the attached statements/invoices earlier this week

I have also attached the original accident report as reference

Please advise how you would like to proceed

Warmest regards

Karen
