Ben:

Here is the information on the fuel mitigation.

They will also have to do the aux tanks.

If you are going to add the extra tanks now would be the time to accomplish this.

If you need anything else feel free to ask.

Hi Joe,

Thank you for your interest in our AerSafe system. I have attached additional information about AerSafe and I have also included our Non-Disclosure Agreement and our Commercial Proposal. Please review and provide your comments. After NDA execution, AerSale would like the opportunity to speak with you and your team about AerSafe.

Best Regards,
Sandra
