Focused Ultrasound Foundation named one of "America's 10 Best Medical Research Organizations" by Charity Navigator

Yesterday, **Charity Navigator** announced "America's 10 Best Medical Research Organizations," and we are honored to be included in this illustrious group.

From Charity Navigator: "These charities are committed to funding cutting-edge research and finding breakthroughs for a spectrum of conditions and diseases. They are also dedicated to using donors' funds wisely in their journey to find a cure."

Thank you for all you do to support the Foundation as we work to advance the field of focused ultrasound.

Best,
Nora
