Apologizes for the delay.

Karen and I reviewed the initial design, taking to account you concerns regarding appliances etc

We based this design on more every day use, with the flexibility to cater larger functions

Appliances Designed for Salt Water Locations consist of

Under Counter Fridge Draws x 2

36 " Alfresco Grill

LSJ would supply the Domestic Oven, which is already on site

A center table would also need to be constructed or purchase

Countertops, Polished Concrete, in house.

Cost breakdown:

Cabinets

Sandstone color fronts \$26,169.00

Appliances: \$12,300.00

Freight: \$1,575.00

Estimated cost: **\$40,044.00**

Can we proceed with purchase?
