I just spoke to Wendy, all is good, wire will be received tomorrow,, the buyer is on his 18th paint rendering, and has decided to keep the plane black and add a burgundy stripe.

She apologized tremendously for this delay,, she said, David the Bermuda Rep for Lars / Buyer, screwed up and only sent the wire for the prebuy,,  
Lars told Wendy he approved the deposit wire, and Will be received tomorrow,

From Wendy;

Hi Gary,

No its more of an embarrassing goof or lack of communication. Lars said he had given David the go ahead to send it. David understood it was for the prebuy deposit not both. They both independently confirmed David had the go ahead about an hour ago. Then David called back and said he had missed the cutoff..

This is the 6<sup>th</sup> aircraft I've bought for him and he has always been a straight shooter.
