I will send it soon!

Hi Giuseppe,
Just off the phone with Jeffrey Epstein.

Can someone send him a formal invitation letter ASAP? He needs to process his Visa (and I would imagine his entourage), as well as get approval for his airplane. Takes 6 weeks so we are running out of time.

Hi Gino,
perfect ! Will your friends / speakers take part to you workshop or will they give single lectures or organize a symposium? Please let me know to arrange the program. Their topics and affiliations?
I just received the confirmation of a symposium co-organized with the Beijing University of Chinese Medicine!
Of course I will disseminate the announcement of Tulum to my mailing list.
Many thanks, let's be in touch!

Can I send something out to the mailing list as well? I'm also planning a gathering immediately after the Conference in Tulum Mexico. In addition to furthering discussions and exploring collaborations, will have a shaman there who can offer Ayahuasca ceremonies.

Yes. I have Jeffery Martin coming. Also a few others. Just back from the UK (dropped my son off to school). We have student final project reviews the next two days. What do you need from the speakers?

Hy Gino,

any news about your list of speakers?

I would like to close the preliminary program within this week.

We are constructing a great event. Please see the preliminary list of speakers in the website www.neupsyco.com (in "Program"). The program after receiving all the speakers list.

Many thanks for your support,

Giuseppe
